

GUIDELINES FOR AN EFFICIENT LAUNDRY ROOM

1. Please follow all posted instructions for washer and dryer use.
2. High efficiency (HE) detergent should be used in all washers.
3. Refrain from overloading the machines; this is the number one reason for machine malfunction.
4. Refrain from washing large or bulky items such as rugs, blankets, and sneakers.
5. Always clean dryer lint traps after use and check before each successive use.
6. Collect all items from washers and dryers upon immediate conclusion of the machine's cycle.
7. Refrain from removing laundry carts from the laundry rooms for any reason.
8. Do not unplug any of the machines.
9. If a machine malfunctions and you are unable to open the door, please refrain from forcing/pulling the door open. Contact CSC (formerly known as Mac Gray) to report the issue.
10. Entering laundry rooms outside of operating hours is not permitted.
11. We love pets but please refrain from bringing them in the laundry rooms.
12. Empty all clothing pockets before washing.

Contact CSC (formerly known as Mac Gray) directly at 844.272.9675 for:

- All Service Issues
- Refund Requests
- Damage Reports

Remember, when the Laundry Rooms are used properly and with care, the machines are functioning for you and your neighbors.

LAUNDRY ROOM HOURS: Daily from 7am – 11pm
